Position: AEGIS Development Junior Engineer

Status: Contingent, target hire date is NOV 2017

International Systems Management Corp. (ISM) is seeking a qualified individual to provide baseline management support for the AEGIS Foreign Military Sales (FMS) Combat System Engineering team managed by Program Executive Office for Integrated Warfare Systems International Programs (PEO IWS 4.0) in the Washington, DC area.

Required experience or qualifications for applicants include:

- Experience using systems engineering practices to design, manage, test, evaluate, and support technical projects in team environments

Desired experience or qualifications for applicants include:

- Experience with risk management processes and procedures
- Familiarity with DoD acquisition processes
- Active DoD Security Clearance

The applicant must have the following minimum experience or qualifications:

- Bachelor's degree in an Engineering, Math or Science Discipline
- Proficient with Microsoft Office Products including Microsoft Excel, Word, PowerPoint and Outlook
- Possess strong communication skills (oral and written) and ability to work independently or in a team environment

The ideal candidate is dynamic and proactive in meeting customer needs and has the ability to prioritize tasks and coordinate activities across numerous organizations. The position will be located in Washington, DC and will require travel approximately less than 15% of the time. Applicant must be a U.S. Citizen and be able to obtain and maintain a DoD Security Clearance.

ISM is a growing small business providing exceptional technical and program management services to the Department of Defense (DoD). ISM employees are experienced professionals that work well independently, or as part of a large government-industry team. The staff interacts at all levels of DoD and Industry and has a proven track record in achieving positive engineering and program management results.

ISM offers competitive salaries and a very comprehensive benefits package. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin. Interested individuals should email resumes to resumes@ism-hq.com or fax 240-331-3091.
